New Remote Productions, Inc. proposes to film a untitled reality tv project at

Our scene involves interior and exterior dialogue at Westminster Presbyterian Church.

We are proposing to be on site on 4/25/2009 from 7:00 am to 10:00 pm. Our camera wrap time will be at 7:00 pm and just our crew will strike equipment from 7:00 pm. to 10:00 pm. We will prep on 4/24/09 from 7:00 am to 7:00 pm. There will be no strike dates.

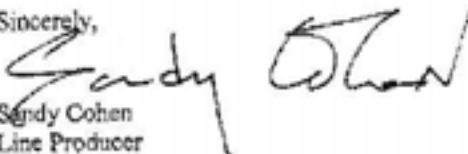

On April 24th and 25th, our parking will be at the parking lot of the church itself and in front of the church west side of Lake Ave and the north side of Atchison St. On April 25th, we are requesting to post No Parking signs on the south side of Atchison Ave. for safety reasons to discourage paparazzi from parking and hiding out in their cars.

We are closing the sidewalk on the north side of Atchison between Lake and Fiske; and closing the side walk on the west side of Lake between Atchison and Woodbury. We are closing the curb lane and one southbound lane on the west side of Lake between lake and the red zone, south of Woodbury. We are requesting these closures for safety reasons for the residents and guests because of the presence of equipment and the anticipated presence of paparazzi.

FOR RESIDENTIAL FILMING: The City requires that we notify all residents within 300 linear feet (or more) of the property lines of the filming location. Signatures are required from residents directly impacted by filming, parking, or posting of "no parking" signs in front of their property. Residential filming Sunday through Thursday past 7:00pm requires 51% signatures, and residential filming before 7:00am or past 10:00pm requires 90% signatures within the noticing area, except in high volume filming areas where 100% is required. We realize that signatures of minors or hired help are unacceptable to the City. Note: Residential filming on Friday and Saturday nights requires 51% signatures to film past 7:00pm within the noticing area, and 75% signatures to film before 7:00am or past 10:00pm.

Thank you for your support and cooperation. We understand that we are guests in your neighborhood, and will conduct our activities in a professional manner. We will still strive to maintain any possible impacts or address any of your concerns. Please contact us if the proposed filming would interfere with any gardening or home improvement plans.
